9:30am Kingston Heath Golf Club (www.kingstonheath.com.au)

3:00pm Victoria Golf Club (www.victoriagolf.com.au)

* Carts Provided for everybody – Other days Cart provided for Leigh

The Rebel Tour Rules

Transportation

We have hired a twelve seater bus and trailer.. Where possible we have limited potential liability for damage by taking out Collision Damage Waver Insurance etc. However the rental agreements are now specifying that we are fully liable for any under body damage etc. It is a condition of the tour that we share equally in any costs associated with damage to the vehicle no matter who is responsible. We also share equally any speeding fines etc.

The Trophies

There are two major trophies, The Rebel Tour Plate for the best cumulative handicap score and the Rebel Tour Cup for the best cumulative handicap score off historic handicaps as designated by the Handicap Committee.

The winners of the plate and the cup have their names engraved on the plate and the cup. Control of the engraving and location of the plate and the cup is the responsibility of John Fitzpatrick. A magnificent trophy will be awarded to the Champion Golfer of 2005.

The International trophy will be awarded on the basis of the best average score for each competition round. The trophy will be decided during the tour.

Nearest the Pin will be held on the shortest par three on each competition course and the first round at Victoria.

Longest Drive will be held on the longest par 5 on each competition course and the first round at Victoria.

Handicaps

Handicaps are not adjusted during the tour.

Qualifying Rounds

Scoring is via the Stableford System. This means 1 point for a net bogie 2 points for a net par, 3 points for a net birdie. The following courses will be counted in the scoring: National Moonah, The Dunes, Moonah Legends, Metropolitan, RMGC East, Peninsula North and South, RMGC West, Kingston Heath and the best score achieved at Victoria during the week. If for compelling reasons a tourist misses a competition round then his best score in a non competition round will be counted.

The Rebel Tour Rules

Scoring for the Cup will be calculated by adding the difference between the Cup Handicap and the Plate Handicap for each round (i.e. there will be no need to keep two scorecards).

Lost Ball

A special lost ball rule applies for the tour. If a ball cannot be found in a reasonable time (2 minute maximum) or a player elects not to search for it then they can treat the point at where the errant ball was last seen as the entry point to a lateral water hazard. A new ball can then be dropped **in the rough** within two club lengths of where it was last seen and one stroke penalty taken. If a ball is found then that ball must be played as it lies or declared unplayable (i.e. a player cannot find their ball and then elect to use the Tour lost ball rule). Note: This does not mean that if your ball is flying towards a horrible set of bushes that you should close your eyes and then claim a drop as close to the fairway as possible. This is a very generous concession. Don't push your luck.

In general only the player who has lost a ball should look for it. All other players in the group must play their ball before they offer to assist another player in looking for a ball. When another player starts to help looking for a ball then the ball is deemed to be lost 1 (one) minute after the time when the player starts helping to look for the ball.

Putting Green

On tour a player may leave the flagstick in while putting even when their ball is on the green. No penalty will be incurred if they hit the flagstick. No penalty will be incurred if an opponent's ball is hit on the green while putting.

Bunkers

If a player's ball gets an abnormally bad lie caused by somebody failing to rake a footprint then subject to approval from a competitor the ball may be placed in a better lie. This rule should only be used for obviously unfair situations, not to cover the usual crappy raking techniques other golfers use. Stones may be removed from bunkers.

Gimmes

Gimmes are not encouraged. However obvious (i.e. 6 inches or less) putts may be conceded. Putts for 3 or more Stableford points must always be holed.

The Rebel Tour Rules

Ready Golf

If you are ready to hit then you should hit even if it is not your honour or if somebody is stuffing around behind you.

Preferred Lies

Automatic taking of preferred lies is not encouraged. However if, on the fairway, your ball is in a divot or sand filled section then you may, with the approval of your competitors, take a preferred lie.

Speed of Play

The lowest handicapped person in each group is responsible for keeping the group moving. As a guide the maximum time for each hole should be 16 minutes for par 5s, 14 minutes for par 4s and 10 minutes for par 3s. Thus on a typical course (4 par 5s, 4 par 3s and 10 par 4s) should take approximately 4 hours to complete. 4.5 hours is getting into the very slow range. 5 hours is totally unacceptable.

Mobile Phones

Mobile phones have no place on the golf course. Our respective clubs all ban them so there is no reasonable excuse for using them on golf courses where we are guests. They should be turned off and not carried onto the course (so as to avoid the temptation to do a quick check of messages at half way). The use of a mobile phone for any reason will automatically incur the **uncontrollable wrath of the tour leader**.

Local Rules

Local Rules in the spirit of the Rebel Tour Philosophy may be introduced by general consensus as and when required and do not require ratification by the R&A or the USGA.

Expense Claims

You should advise me of any expense claims on the day that they are incurred. Any claims made after the tour have finished will be ignored.

Dispute Resolution

There will be no disputes
