Hello Tim,

I hope you are well. I have managed to arrange 36 holes on the Sunday at Rosebud Country Club. Please let me know if the following arrangements are suitable for your group;

Golf Reservations – 2 groups of 3

Feb 7	12.42pm / 12.50pm	Eagle Ridge
Feb 8	8.44am / 2.00pm	Rosebud Country Club

Can you also advise if you would like carts on either day?

Have a Merry Christmas, thanks and regards

Dean,

Yes that will work for us.

The only constraint is that we will be driving from Melbourne Airport (our flight lands at about 8:30am) so we will probably get to Rosebud by about 11-11:30. We are complete golf tragics so playing 36 holes in the afternoon is appealing if we can do that. We could then play Eagle Ridge on Sunday morning (8-8:30?)

Hi Tim,

Thank you for the update. Is it possible to switch the days and play Eagle Ridge on the Sunday and the Two 18 hole Courses (therefore the discrete 4 nines) at Rosebud on the Saturday?
At this stage, it looks unlikely that the Rosebud Country Club will be available in both the morning and afternoon due to a large charity day. I should have a confirmed position on this by the end of the week.

Please let me know.

Many thanks and regards

The Rebel Tour Rules

Transportation

We have hired a twelve seater bus. Where possible we have limited potential liability for damage by taking out Collision Damage Waiver Insurance etc. However the rental agreements are now specifying that we are fully liable for any under body damage etc. It is a condition of the tour that we share equally in any costs associated with damage to the vehicle no matter who is responsible. We also share equally any speeding fines etc. You are advised to always wear your seatbelt because next time we will probably not get away with it despite Richard's engaging and disarming manner with the constabulary.

Mobile Phones

Mobile phones have no place on the golf course. Our respective clubs all ban them so there is no reasonable excuse for using them on golf courses where we are guests. They should be turned off and not carried onto the course (so as to avoid the temptation to do a quick check of messages at half way). The use of a mobile phone for any reason will automatically incur the **uncontrollable wrath of the tour leader**.

The Rebel Tour Plate

The Rebel Tour Plate is awarded to the Champion Golfer (decided at the annual end of summer tour based at Victoria Golf Club) of the year. In 2008 despite many misgivings by the organizing committee it was agreed that Fitzpatrick and Dobbin could participate as a team. Clearly this represented a serious error in judgement by the committee and consequently similar aberrations in the normal operation of polite society will not be allowed in 2009. In 2009 the Champion Golfer will be decided on the basis of the best average score for all of the rounds played. However in equity it is recognised that some members will be freshness advantaged by playing a reduced schedule. Therefore any golfer who plays all rounds will be allowed to drop one round from the averaging calculations (the Fitzpatrick Fairness Exclusion Dispensation)

The winner of the plate has their name engraved on the plate. Control of the engraving and location of the plate is the responsibility of John Fitzpatrick. In addition normally a magnificent trophy to be taken home and displayed to your adoring family is awarded to the Champion Golfer of the year. However as it has not been acquired as yet the trophy will be presented to the Champion Golfer if I get around to buying it. As I still haven't got round to organising the 2008 trophy I suggest that you don't get too excited about this.

The Rebel Tour Rules

Any other tours conducted throughout the year that have two or more Rebels participating may play for the honour of having the winners name engraved on the plate but carry no possession rights. Such tours are designated 'engrave but not hold' tours.

NTP and Longest Drive

Because of past apathy and indifference the Nearest the Pin and Longest Drive competitions have been cancelled. If somebody can be bothered to organise and account for these events feel free.

The Rebel Tour Cup,

There is a Rebel Tour Cup in somebody's possession. This was originally for the best scratch golfer, then for a variety of other competitions. As nobody can remember what the current rules are for the award of the Rebel Tour Cup (and nobody cares) the control of the rules (and of the Rebel Tour Cup) is now in the hands of John Fitzpatrick.

Handicaps

Handicaps are as per Golfink on the morning of the Monday preceding the tour. Handicaps are not adjusted during the tour. The maximum allowable handicap (the Farrugia amendment) is 18.

Qualifying Rounds

Scoring is via the Stableford System. A minimum of five rounds must be played and the championship round (the last included round on the designated last tour day) must be one of the rounds. Competition rounds must be over 18 holes to be included unless the course is only 9 holes in length in which case the score for 9 holes is included and the average calculated on that basis (e.g.[for the avoidance of doubt] if 10 rounds of 18 holes and 1 round of 9 holes are played then the total score is divided by 10.5). If more than two rounds are played in a day then the third round is not included in the competition results unless unanimous agreement of all those on tour is reached prior to the commencement of the round (The Cheltenham amendment).

Lost or out of bounds Ball

A special lost ball rule applies for the tour. If a ball cannot be found in a reasonable time (2 minute maximum) or a player elects not to search for it then they can treat the point at where the errant ball was last seen (or where it crossed an out of bounds line) as the entry point to a lateral water hazard. A new ball can then be dropped **in the**

rough within **two club lengths** of where it was last seen and one stroke penalty taken. If a ball is found then that ball must be played as it lies or declared unplayable (i.e. a player cannot find their ball and then elect to use the Tour lost ball rule). **Note: This is a very generous concession. Don't push your luck.**

In general only the player who has lost a ball should look for it. All other players in the group must play their ball before they offer to assist another player in looking for a ball. When another player starts to help looking for a ball then the ball is deemed to be lost 1 (one) minute after the time when the player starts helping to look for the ball.

Putting Green

On tour a player may leave the flagstick in while putting even when their ball is on the green. No penalty will be incurred if they hit the flagstick. No penalty will be incurred if an opponent's ball is hit on the green while putting.

Bunkers

If a player's ball gets an abnormally bad lie caused by somebody failing to rake a footprint then subject to approval from a competitor the ball may be placed in a better lie. This rule should only be used for obviously unfair situations, not to cover the usual crappy raking techniques other golfers use. Stones may be removed from bunkers.

Gimmes

Gimmes are not encouraged. However obvious (i.e. 6 inches or less – that's 15 cm Leigh and Richard) putts may be conceded. Putts for 3 or more Stableford points must always be holed.

Ready Golf

If you are ready to hit then you should hit even if it is not your honour or if somebody is stuffing around behind you. Try not to hit Tim as he will be some distance in front of you by the time you finish stuffing around.

Preferred Lies

Automatic taking of preferred lies is not encouraged. However if, on the fairway, your ball is in a divot or sand filled section then you may, with the approval of your competitors, take a preferred lie. Preferred lies may also be taken whenever there is a

reasonable expectation that you might damage your clubs or yourself (e.g. hitting tree roots [the relief from a root amendment], playing off rocks or stones etc)

Speed of Play

The lowest handicapped person in each group is responsible for keeping the group moving. As a guide the maximum time for each hole should be 16 minutes for par 5s, 14 minutes for par 4s and 10 minutes for par 3s. Thus on a typical course (4 par 5s, 4 par 3s and 10 par 4s) should take approximately 4 hours to complete. 4.5 hours is getting into the very slow range. 5 hours is totally unacceptable.

Local Rules

Local Rules in the spirit of the Rebel Tour Philosophy may be introduced by general consensus as and when required and do not require ratification by the R&A or the USGA. Your attention is drawn to the attached "Laws of Golf"

Expense Claims

You should advise the tour treasurer of any expense claims on the day that they are incurred. Any claims made after the tour has finished will be ignored.

Dispute Resolution

There will be no disputes

The laws of golf

LAW 1: No matter how bad your last shot was, the worst is yet to come. This law does not expire on the 18th hole, since it has the supernatural tendency to extend over the course of a tournament, a summer and, eventually, a lifetime.

LAW 2: Your best round of golf will be followed almost immediately by your worst round ever. The probability of the latter increases with the number of people you tell about the former.

LAW 3: Brand new golf balls are water-magnetic. Though this cannot be proven in the lab, it is a known fact that the more expensive the golf ball, the greater its attraction to water.

LAW 4: Golf balls never bounce off of trees back into play. If one does, the tree is breaking a law of the universe and should be cut down. This law does not apply to John Fitzpatrick.

LAW 5: No matter what causes a golfer to muff a shot, all his playing partners must solemnly chant "You looked up," or invoke the wrath of the universe.

LAW 6: The higher a golfer's handicap, the more qualified he deems himself as an instructor.

LAW 7: Every par-three hole in the world has a secret desire to humiliate golfers. The shorter the hole, the greater its desire.

LAW 8: Topping a 3-iron is the most painful torture known to man.

LAW 9: Sand is alive. If it isn't, how do you explain the way it works against you?

LAW 10: A golfer hitting into your group will always be bigger than anyone in your group. Likewise, a group you accidentally hit into will consist of a football player, a professional wrestler, a convicted murderer and an ATO agent -- or some similar combination.

LAW 11: All drivers are demon-possessed.

LAW 12: Golf balls from the same "sleeve" tend to follow one another, particularly out of bounds or into the water (See Law 3).

LAW 13: A severe slice is a thing of awesome power and beauty.

LAW 14: "Nice lag" can usually be translated to "lousy putt." Similarly, "tough break" can usually be translated "way to miss an easy one, sucker."

LAW 15: The person you would most hate to lose to will always be the one who beats you.

LAW 16: The last three holes of a round will automatically adjust your score to what it really should be.

LAW 17: Golf should be given up at least twice per month.

LAW 18: All vows taken on a golf course shall be valid only until the sunset.
